

Friends of the Blue Streaks Athletics

Pave your way to Blue Streaks Pride and Tradition

Be a part of the new Blue Streaks Stadium

Washington High School/Warren Hills Regional High School has been the home to many great athletes. However, for far too many years games have been played in a stadium that was well past its prime.

Thanks to the Warren Hills School Board, administration and voters all of that is now changing for the better. This new stadium is a welcomed addition to our high school and as indicated much needed for a variety of sports.

It is important to honor the past, especially when the past is filled with a rich history.

We “The Friends of the Blue Streaks Athletics” are offering all former and current Blue Streaks fans the opportunity to honor the past and be part of the new. This opportunity is being offered to you through the solid and traditional architectural element of brick. Timeless and unequivocally distinctive bricks will be laser engraved with a text of your choice and professionally installed inside the stadium for public display. The patented laser engraving process will ensure that your significant words will stand the test of time, without fading, chipping or ever becoming illegible.

Showing your support through brick engraving is a wonderful way to honor, commemorate, congratulate or show your undying passion for a loved one, an event, a sport or simply even an unforgettable time in your life. Inscribing a brick for someone is a profound means by which to congratulate a Warren Hills graduate, remember an individual greatly missed, announce a birth, wedding or send a birthday wish. Are you a Washington High School or Warren Hills Regional High School alumni filled with time honored pride? Are you a sports fan that follows our great athletic programs, then this is the perfect way to show your everlasting support?

**This is a perfect opportunity with a new stadium to honor the past
and be part of the future.**
